

Hello Parents.

The first Box Top submission is right around the corner. Let's start clipping those Box Tops and sending them into school to help Willow Lane raise money for our students. We are making it easy this year by allowing you to just cut them off from the boxes and packages and send them right into the school. No need to count them or separate them. Please label the Box Tops with your students name and homeroom so they will both get credit for the tops. The top 3 students to send in the most will be awarded a gift card and the top homeroom will win a party of their choice.

Please don't hesitate to contact me with any questions.

The first deadline to send in the box tops will be **Friday, October 26th**.

Thanks again for your help!!
